Core Values: Everyone Has A Job To Do

October 20, 2019

Text: Romans 12:1-8

When is a time that you served exactly in your sweet spot?

What spiritual gifts do you have? Feel free to reference these eight questions from *Garden City* by John Mark Comer:

- What do you love?
- What are you good at? (Oh, and bad at?)
- What does your world need?
- Does it contribute to human flourishing?
- What are the open doors in your life?
- What is God blessing?
- What are people you know saying?
- What's the Spirit stirring in your heart?

How can you use your gifts to serve in God's Kingdom?

What are the opportunities God is giving you to serve outside of your giftedness?
