Text: Luke 10:1-12

When it comes to the “how” of evangelism, what areas would you like more training in?

Which one of the 12 instructions for evangelism did you find most helpful?

If someone asked you to share why you believe in Jesus, what would you say?

What are the next steps you would give someone who recently gave their life to Christ, but has no prior history with Christianity?

Are there any next steps that Josh shared (Multiply, Alpha, Harvest, Prayer) that you feel called to take?
